

pe3001

Standard dimensions

Dimensions (W x H x D): 92 x 45 x 65mm

pe3001, front view

Mains supply:

230 / 115 V +/-10% / 50-60 Hz

Primary current

max. 20mA at 230V supply

Signal input

For voltage 0...10V DC (other on request)

For current 0...60mV (other on request)

Design

Norm switchboard casing, protection grade IP20

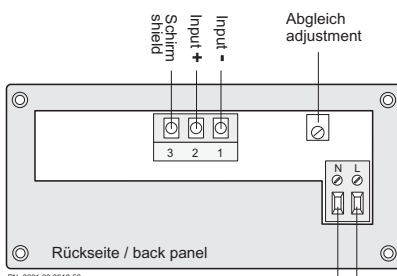

Weight: 300 g

Außenmaß Rahmen:
96 x 48 (B x H):

Schalttafel-Ausbruch:
90+0.5 x 45 +0.5 (B x H)

Empfohlene Plattendicke: 3mm

pe3001, external dimensions

PN: 3001 00 0010-50

pe3001 with integrated power supply
Supply 230V AC or 115V AC, back view
